## NALC Disaster Relief Update

\*We were hoping for a more quiet 2025 compared to 2024 for disasters, but that hasn't been the case. The Disaster Response team has been busy gathering and delivering supplies to a variety of locations across the United States. Your donations of supplies and gift cards are very much appreciated.

\*If you don't already, consider following NALC Disaster Response on Facebook. Here you will see updates on where we are helping and the mission trips.

\*If you are interested in going on a mission trip by yourself or with a group from your church contact Mary Bates to see where you can help out.

\*If your congregation is interested in education about disaster response, church safety, home safety, etc. let me know. I would be more than happy to schedule something with you!

\*What are the current disaster response needs? Flood/cleaning buckets, health kits and gift cards.

\*I will bring empty buckets to convocation. If you need some before convocation let me know and I can get some to you.

\*We will also be bringing the Iowa Mission District Tool Trailer to the convocation so you can see our progress on it. Financial donations are still needed so we can purchase the remaining items needed.

As always, let me know what questions you have about Disaster Response!

*Betty Burkhalter Iowa Mission District Disaster Response Coordinator*
